

- Present:** Mayor David M. Nussbaumer, and Trustees David McGuire, Robert Brown, Lloyd Green and Frederick Alderman.
- Vouchers:** Motion by Trustee Green, 2nd by Trustee McGuire and carried to approve payment of the vouchers in the amount of \$54,350.36.
- Citizens:** John Blankenberg, West Foster Street, and Leonard Johncox, West Foster Street, informed the board that they were there as interested citizens.
- Vil.Att. Retain. by School:** A letter was received by Village Attorney Henry B. Nesbitt, in which he informed the Village Board that in accordance with Canon 6 of the Canon of Professional Ethics, he wished to make it a matter of record that he is retained by the Palmyra-Macedon Central School District as attorney. Clerk was ordered to file the letter.
- R.Brown Resig. Zon.Brd.:** A letter was received from Robert Brown as a member of the Zoning Board of Appeals for the last two years. Mr. Brown informed the board that he had enjoyed the work during the last two years with the Zoning Board but in accordance with law must resign as he was elected to the Village Board. Clerk was ordered to file the letter.
- Police Report:** The Police Report for the month of March, 1972, was reviewed as presented by Police Chief Henry. Highlights of the report indicated there were 237 complaints, of 14 criminal matters 7 were for petit larceny and of the 79 motor vehicle arrests, 46 were for illegal parking and 10 were for speeding. Total fines and bail forfeitures amounted to \$380.00. The car travelled 4,052 miles during the month.
- Zon.&Plan. Seminar:** The Wayne County Planning Board advised by letter that a seminar was being planned at 7:30 in Lyons at the Court House on April 19, 1972 at which Zoning Board of Appeals, Planning Boards, Mayors and Supervisors were invited. Clerk was asked to so inform those involved.
- Wat.Workshop:** Finger Lakes Water Works Conference to be held on May 11, 1972 at the Farm Restaurant at \$5.00 per person to include meeting and dinner.
Motion was made by Trustee Alderman, 2nd by Trustee Brown and carried to send Water Plant Operator Hiram VanEtten and Highway Foreman Raymond Smith, with expenses to be paid by the Village of Palmyra.
- Annual Pol. Just. Report:** The annual Police Justice Report from Police Justice Paul Rubery was received and ordered filed. Total cases handled were 681 with fines bail forfeitures and fees submitted to the State Department of Audit and Control as of 2/29/72, \$4,540.82.
Motion was made by Trustee McGuire, 2nd by Trustee Green and carried to accept this report.
- Urb.Ren.:** Letter received from Urban Renewal Director, William Roche, asked the cooperation of the Village Board via adopting a resolution to support the Urban Renewal Agency in the event that state legislation is not enacted by 6/30/72 to provide its share of 12 $\frac{1}{2}$ % of the 25% and that the Village of Palmyra would extend itself to contribute in funds approximately \$15-20,000, for relocation costs. Director Roche outlined that previously the relocation portion has been an outright 100% grant from the Federal Gov't. The Uniform Relocation Act of 1970 states that after 6/30/72 all relocation costs will be on a shared basis, 75% Federal Funding and 25% local funding. Village Board indicated that it would like further clarification from Attorneys Rubery and Nesbitt.
- Uniform Relocat. Act:**
- Gripe Session:** Trustee Brown commented that Ronald Rhinewald, 116 E. Charlotte, complained to Trustee McGuire and himself that a better approach to his driveway should be built. He suggested a pipe along the gutter area for easier access to his property. He was informed that last year a pipe which had been previously installed, had to be removed because it became plugged with debris and caused a back-up of

- Gripe Session (cont'd):** water in the street to the east, thereby causing a flooding condition. If the residents would keep the pipe cleaned out, this might be helpful but inasmuch as no one seemed to want to take this responsibility, a worse condition developed.
- C.A.T.V.** Representatives of Information Transfer, Inc., David Bowen and Ed Hatton, clued the board relative to the construction schedule of Cable T.V. for Palmyra -- May 1, 1972, start strand mapping and electronic layout; July 1, 1972, start stranding and cabling; Sept. 1, 1972, completion and activate systems with some subscribers on-line. The gentlemen advised that according to the rules adopted by the F.C.C. as of 3/31/72, they (Information Transfer) are required to give 3 channels free to the municipality for educational, political and public use. A studio must be provided by Info. Trans. They are operating in Newark in limited areas, but will not have the complete village tied in until the "bugs" have been eradicated from those connected.
- F.C.C. Rules:** Tentatively, free installation would be given with a \$6.00 charge as they would go by the house. 4 channels in Rochester and 4 in Syracuse would be available.
- Charges:** General discussion which revealed that it is a record of all police officer's work. Trustee Alderman commented that it was his impression that the Police Blotter can be viewed by any interested person during working hours of the department.
- Police Blotter:** William Manning and William Napier, investment consultants, of the firm Manning & Napier, 1 East Ave., Rochester, N.Y., conferred with the board relative to their qualifications in connection with the management of trust funds. They have been in business since 1970 but are registered with the Securities & Exchange Commission as advisors under the Investment Advisers Act of 1940, and are qualified under the laws of the State of New York as such. They commented that they accept as a minimum account \$100,000.00 with a maximum fee of 3/4 of 1% on the market value.
- Invest. Consult.:** Richard Krebbeks and John Rigney, emissaries of St. Anne's Catholic Church, solicited the cooperation of the board to review rules and regulations in order that legalized "Bingo" might be inaugurated in the Village limits. A review of the previous ordinance passed in 1958 was explained by Village Attorney H. B. Nesbitt and village clerk, but was voided when a referendum was held. Therefore, the group were informed it would be necessary to pass another ordinance and have a referendum.
- Bingo Discuss.:** The following motion was made by Trustee Alderman, 2nd by Trustee McGuire and carried:
WHEREAS, the Village of Palmyra had passed a "Bingo" Ordinance in 1958, which was voided at the referendum,
BE IT RESOLVED, that Village Attorney H. B. Nesbitt, prepare an up-dated ordinance for review by the Village Board and to proceed with necessary arrangements for a referendum for the purpose of allowing legalized "Bingo" within the limits of the Village of Palmyra.
- Motion to Draw Ordin.:** The Village of Palmyra Police Department along with Police Chief Donald Henry, selected Patrolman James J. Smith as spokesman for the group, for the purpose of advising the board that they had asked for \$1,000.00 increase for each member of the department for the ensuing year. It was pointed out to the group that the maximum that could be allowed was 5.5% as an increase in wages, and that this board had increased wages at the rate of 5%. The board emphasized that they were well aware that the Police Dept. has a difficult, time-consuming, often thankless job and are often compelled to alienate themselves to command the respect of the public. Patrolman Smith countered that in behalf of the department, he felt that they were not satisfied, with the 5% increase. It was his opinion that after the formation of the Police Benevolent Association, that next year this organization would bargain with the board.
- Police Dept.:** Commercial Dump Haulers, Ralph Miller, William Dunk and Albert Exton were invited to attend the meeting so that the board could outline the proposed operation of the Village of Palmyra Dump on Garnsey Road for the ensuing year. Trustee Alderman briefly commented that it is expected to have the dump operated by a caretaker with tickets being issued in the village offices for residents and haulers who will pay for the privilege of

Commerc. Dump Haulers: (cont'd) dumping refuse by the yard. No admittance to the dump will be allowed without a ticket which will be given to the caretaker each time one uses the dump. The tickets in turn will be a means of reimbursement for the caretaker at the Village Clerk's Office for a percentage of what the user had paid originally. It is expected that each ticket would be good for one yard of debris.

Boy Scout Cabin: Charles Richardson, President of the Jaycees, informed the board that the Jaycees may be interested in obtaining funds for materials of a Boy Scout Cabin on Prospect Hill, labor previously volunteered by Ted Jacobs.

Asst. Pol. Justice: Charles Richardson commented that he would be interested in being appointed Assistant Police Justice in that he seemed to feel that there was a need for assisting the Police Justice, Paul Rubery, with his cases and having someone available almost immediately. He advised that there will be a school scheduled for the next two Friday and Saturdays, which he could arrange to attend at no cost to the village except for transportation and meals. (Next school would not be held, he commented, until November).

The following motion was made by Trustee Brown:
WHEREAS, Charles Richardson has indicated that he would be available for the position of Assistant Police Justice,
Motion Voided: **BE IT RESOLVED THAT**, he be appointed for a period of one year beginning April 1, 1972. There being no second to the motion, the motion was voided for lack of a second.

Organ. Meet.: Motion was made by Trustee Alderman, 2nd by Trustee Green and carried to adopt all the rules, regulations, appointments, salaries, employee benefits, bank depositories and any and all items as outlined in the Organization Meeting of 4/3/72 as of this date, 4/10/72.

Lozier Review of Wat.: Trustee Alderman informed the board that he expects within the next two weeks to have a report from Lozier Associates relative to the analysis of the raw water line.

Storm Sew.Per: An application from the Presbyterian Church for a storm sewer connection to Church Street was received along with a check for \$75.00. Motion by Trustee Green, 2nd by Trustee McGuire and carried to approve the application.

N.Y.S.El. Lights: A letter from the New York State Electric indicated that updating of village streets is continuing with 3 on the Alley, N. Side of Main St., 5 on William Street, and 4 on Market Street for an annual increase of \$404.68.

Zon.Brd. Appoint.: Motion was made by Trustee Green, 2nd by Trustee McGuire, and carried to appoint Mrs. Nancy Ingram, a member of the Zoning Board of Appeals. (220 West Jackson St.)

Plan.Brd. Appoint.: Motion by Trustee McGuire, 2nd by Trustee Alderman, and carried to appoint Gary O'Dea, 138 West Jackson Street, as a member of the Planning Board.

Fire Dept. Ann.Rpt.: The annual report of the Palmyra Fire Department was reviewed by the Board and ordered filed.

Board of Trustees

Regular Board Meeting

7:00 P.M.

Present: Mayor David M. Nussbaumer, and Trustees David McGuire, Robert Brown, Frederick Alderman, and Lloyd A. Green.

Vouchers: Motion by Trustee Green, 2nd by Trustee Alderman to approve payment of the vouchers as presented in the amount of \$35,537.76.

Agway Dump: Hiram VanEtten, Operator of the Village of Palmyra Sewage Disposal plant on East Main Street, advised that the Palmyra Agway adjacent, southeast of the Disposal Plant, has been dumping winter accumulations over the bank at the rear of their building on the north. As a result, it appears to be infested with rats. Mayor Nussbaumer advised that he would talk with Zoning Officer Bruce Wideman regarding the situation.

Citizens Visit: Mrs. Lois Lynch, Fayette Street and Robert Bender, Hathaway Place, visited the board meeting.

Sump Pumps: H. VanEtten, informed the board that in checking sump pumps in the basements of village residents which are attached to the sanitary sewer, it has been learned that the Village Hall as well as the Park & Club Bldg., also have such an attachment. For this reason he feels that the village should rectify the connections before his men cite further infractions of residents.

Water Leaks: H. Van Etten commented that he felt that when the highway department, who take care of water line leaks in the village as well as the transmission line from Canandaigua Lake, is informed of a leak, this should become a priority on their list.

Truck Loan from Hwy.: H. Van Etten, advised that it will be necessary to again remove the accumulation on the drying beds to the Village of Palmyra dump. He, therefore, wished to ask the loan of a village truck in order that they at the sewer plant, might have a larger piece of equipment on which to load the accumulation. Request granted to use the truck for a week or ten days as needed.

Info. Transfer: A copy of the operating rules for access channels for Cable T.V. was received by the board.

- Freezer Locker:** The former Freezer Locker on Market Street, the gift of Mrs. Rose to the Village of Palmyra contains an assortment of equipment that might have some value if auctioned. Board feels that it may be possible to accumulate this assortment along with other unused materials which may be of value to someone, if the village were to hold a public auction.
- Revenue Sharing:** Clerk advised that a telephone call from Assemblyman J. Finley in Albany revealed that there was a possibility that the Village of Palmyra might be the recipient of approximately \$31,000.00 as its share of the Federal Revenue Sharing bill as presented by U.S. Representative Wilbur Mills, the bill known as the "Mills Bill: (HR 14370). He urged the Village of Palmyra to pass a resolution supporting this bill and send a copy of it to Senator Javits, Senator Buckley and Representative Mills.
- Resolut. Support Rev. Shar.:** The following resolution was made by Trustee Alderman, 2nd by Trustee Green and carried:
WHEREAS, State and local municipalities are in difficult financial conditions by reason of the exhaustion of sources of revenue to continue services,
BE IT RESOLVED, that the Board of Trustees of the Village of Palmyra be recorded as supporting the revenue sharing bill now before the House of Representatives, and,
BE IT FURTHER RESOLVED, that the Clerk of this Village is hereby directed to forward a copy of this resolution to the Honorable Wilbur Mills, Chairman of the Ways and Means Committee.
- The above resolution was signed by all board members and the original was sent to the Honorable Wilbur Mills.
- Dog Leash Law Request:** A group of citizens (8-10) headed by Mrs. Heather Valentine petitioned the board to make an effort to revamp the present Control of Animal Ordinance and instigate a Leash Law. A petition signed by 308 citizens was presented to the board to emphasize the desire of the citizenry.
- Gen. Disc.:** Dog Warden Alfred Campbell commented that there are over 300 unlicensed dogs in the town and village. The question was posed whether there is a special law that if a dog has bitten more than once, can he be confined or destroyed thereafter. Donald Leysath commented that he felt that stiff fines should be imposed which would prompt animal lovers to really take care of their pets, rather than to let them run loose around the village. Mayor Nussbaumer asked Trustee Brown to contact Charles Schwab, head of the Conservation Department in Lyons.
- Drury Request:** Mr. & Mrs. Walter Drury of 501 East Main Street informed the board that Mrs. Drury made the present "13 Star Flag" hanging on their front porch. It would be their suggestion that they would like to see a 13 star flag flying from the top of the "Steel Flag Pole: during the Canal Days celebration. They would be willing to furnish such a flag providing the Village would guarantee the safety of the flag. Trustee Green volunteered to check on whether or not it would be possible to fly a 13 Star Flag from the top of the pole.
- Contract For Youth:** Motion was made by Trustee Green, 2nd by Trustee McGuire and carried to allow the Mayor, David M. Nussbaumer, to sign the Contract for Youth for the year 6/1/72 - 5/31/73 between the Village of Palmyra and the State Youth Commission.
- Urban Renewal:** William Roche, Urban Renewal Director, presented a letter which requested assurance from the Village of Palmyra which would support the Uniform Relocation Act of 1970, to the effect that in the event that the State Legislature does not pass a measure to contribute 12 ½%, that the Village would also pick this amount up along with its share 12 ½%, making a total of 25%.
- Atty. Nesbitt Quest.:** Village Attorney, Henry B. Nesbitt, interjected that he wished to know and felt that the Village should be informed, what the base figure was that 25% would be multiplied by to arrive at a dollar and cent amount. Both Relocation Director Donald Sinclair and Urban Renewal Director William Roche agreed that \$96,000.00 would be the maximum share of the Village would be \$25,000.00.

Any water service which is larger than 3/4 inch will be charged for in an amount which will be the above flat charge plus an amount to cover additional material and labor involved.

The necessary labor and materials for completing the installation from the curb box to the meter shall be furnished and paid for by the applicant for water service. Service pipes shall not be less than 3/4 inch, and must be copper tubing, Type K, with swaged joints only, and be placed at least 4 1/2 feet below the surface. The installation and materials must be approved by a duly authorized official or employee of the Village of Palmyra before the trench is back-filled. If any defects in the workmanship or materials are found, or if the consumer's service pipe has not been installed in accordance with the specifications or requirements herein provided, water service will not be turned on until such defects have been remedied, and if water service has been turned on before discovery of such defects, the service may be turned off until the defects are remedied.

Service connections will be made within a reasonable time after the filing and approval of the application for service, but the Village of Palmyra reserves the right to make service connections only during the period from April 1st to November 1st in any calendar year.

Atty. Nesbitt Quest? Attorney Nesbitt further commented that a village cannot purchase or build anything without funds and feels that the village should be aware of what limitation would be the maximum.

Landfill Discuss. by A. Granger: The only one to bid on the "Contracting-Out of the Village of Palmyra Dump" located on Garnsey Road for the ensuing year, was Alan Granger. He discussed with the board that the specs indicated that he would be obligated to carry a \$1,000,000.00 liability policy and abide by State Labor laws in connection with wages to anyone he would hire to assist him. He commented that it was his feeling that a \$300,000.00 Liability Policy should be sufficient. Board has not made any decision as to acceptance or rejection of the bid.

Bingo Propos.: Attorney Nesbitt commented that the surface expenses of legalizing Bingo in the Village would be the cost of publication in the paper plus the cost of the referendum, if the board so agrees to approve of Bingo pending the results of a public referendum.

Motion was made by Trustee Brown, 2nd by Trustee Green and carried to set a Public Hearing for the Proposed Bingo on May 10, 1972 at 7:00 P.M.

Water Contract with Tn.: A question was posed via a letter from Paul T. Rubery, Attorney for the Town of Palmyra, relative to the Water Contract with the Town requesting that an addendum be added to stipulate that the Town rate would be 200% or 300% of the Village Rate. Clerk advised that according to the contract the Town would be paying for the number of cubic feet used by the town districts at the rate of \$1.12 per hundred cubic feet.

Executive Session: Motion was made by Trustee Green, 2nd by Trustee McGuire at 9:00 P.M. to move into Executive Session. Carried.

Re-Convene: Motion was made by Trustee Green, 2nd by Trustee Brown at 9:05 P.M. to re-convene the previous meeting with all board members, the Village Attorney, Henry B. Nesbitt, and Mayor Nussbaumer, present.

Fayette One-Way: It was suggested that Attorney Nesbitt draw an ordinance to be reviewed stipulating Fayette Street as One-Way from East Foster to Walker going north.

Police Dept.: Trustee Alderman commented that he would like to make a motion, pending the proper legal phraseology that would abolish the Village of Palmyra Police Department with the idea that the Village of Palmyra would be covered by the Sheriff's Department and the State Police. Attorney Nesbitt indicated that such might be possible in accordance with a Section of the Village Law 188-A. The proposed motion was referred to Attorney Nesbitt for the proper wording and technical phraseology.

Wat. Rate Increase: Board agreed to have a Public Hearing on May 10, 1972 at 8:00 P.M. at which time an amendment to the Water Ordinance would be discussed by the board.

Paint Fire Hydrants: Trustee Green advised that he would check on the possibility of Boy Scouts painting the fire hydrants in the village and town.

Library Contract: Motion by Trustee Green, 2nd by Trustee McGuire to approve the Library Contract in the amount of \$2,000.00, which amount has been provided in the ensuing budget, and to allow Mayor Nussbaumer to sign the contract in behalf of the Village of Palmyra. Carried.

Dump: Attorney Nesbitt was asked to check the legality of using both the east and west side of Garnsey Road, property of the Village of Palmyra, for dumping purposes. According to the deeds so drawn about 20 and 10 years ago, there appears to be no stipulation as to any restricted use.

Adopt Budget: Motion was made by Trustee Green, 2nd by Trustee Brown and carried to adopt the budget for the year 6/1/72-5/31/73, with the amount to be raised by taxation in the amount of \$248,200.00.

Board agreed that John Martin should be charged \$100.00 for a hook-up and the new users should be billed as of 6/1/72.

Total fines and Bail Forfeitures for both motor vehicle and criminal offenses totaled \$69.00.

Adjourn: Motion by Trustee Alderman, 2nd by Trustee Green and carried that the Board of Trustees, adjourn to re-convene in the Park & Club Bldg. at 149 East Main Street, at 7:08 P.M.

Change of Venue Park & Club Bldg. 7:13 P.M.

Present: Mayor David M. Nussbaumer, and Trustees David McGuire, Lloyd A. Green, Robert Brown, and Frederick Alderman. Village Attorney, Henry B. Nesbitt. Approximately 125 citizens.

H. B. NESBITT Comments: Attorney Nesbitt asked permission of Mayor Nussbaumer to be allowed to speak. He commented that 2 weeks ago Trustee Alderman made a motion after investigating on his part the matter of the abolishment of the Village of Palmyra Police Department. Such a motion would be in order, according to Attorney Nesbitt, who had checked with the State Department of Audit & Control. However, according to legal procedure, he continued, the Village Board would make such a motion which would include a date for a referendum to be held which would be by vote of the residents which would be the deciding factor and not the decision of the village board. Attorney Nesbitt, further added, that the motion suggested by Trustee Alderman has not been officially approved and has been tabled. Moreover, Attorney Nesbitt revealed, that a Public Hearing would be apropos prior to the referendum.

Mayor Nussbaumer: Mayor Nussbaumer commented that during the years costs have risen but the police department has not received a good starting wage.

Comments: L. DeGloma: Queried the cost of a referendum. Clerk advised approximately \$400.00.

Leland Reid: Advised that he feels that the Village of Palmyra Police Dept. does a fine job, that the street is cleaned of snow in the winter and repaired in the summer, and street lights are adequate. It was his feeling that it would be folly to even think of no police department. Expenses should be cut in other areas before here.

~~XXXX~~
Comments:

Joe Suhr: Advised that he could not see allowing a business to be unguarded without police protection around the clock. He felt that the police do a fine service for the community. As a result a petition has been circulated, he commented that already has about 418 names in support of the department.

Robert Burke: Questioned why the police department should be abolished.

Mayor Nussbaumer: Countered that the feeling has been that the rate of pay, especially for a new department officer, is so low that it could hardly be compared with a living wage.

George Burke: Mentioned that for the work that is required of a police officer, not only in the village but in the state and the United States, the rate of pay is hardly commensurate with the job that the man is expected to perform. Should there be a vote of the people, it was his opinion that the people would definitely want a police force in the village.

Jerry Rifenberg: Questioned if the county, the sheriff's department had been contacted for a possible "take-over".

Mayor Nussbaumer: Advised that the county could not take over until January 1, 1973, at which time funds would have to have been appropriated in the ensuing budget.

Marilyn Burke: Asked if the taxes would go up? Indicated that she would not mind paying more in taxes for adequate protection of the village department.

Gary O'Dea: Questioned how many policemen are needed and who decides how many are needed for the village protection.

Mayor Nussbaumer: Commented that the Village Chief of Police recommends to the village board, who in turn makes the decision if there are funds available.

Mildred Lynch: Asked about the School Crossing Guard, if they would be relieved of their duties.

Mayor Nussbaumer: Informed the group that they do not or are not classified in this category and would be continued.

Trustee Alderman: Interjected that there are two services that are better trained in background, the county and State police. Salaries in the village start at \$6,400.00 and the state police receive \$9,000.00. Quite a differential.

Marjorie Keith: Cited a recent incident at which she had occasion to call the village police who were there in minutes and later an incident of needing to call the Sheriff's Department, but had to wait for assistance for nearly an hour.

L. VanParys: Questioned if other communities of our size in the area had taken such a step as to have no local Police Department.

Trustee Alderman: Replied that Marion, Williamson, Pittsford, are but a few.

D. Sinclair: Commented that the subject of the Police Dept., while he was a member of the Village Board for nearly 2 years, was in the limelight many times, primarily, because there were citizens who were very irate with the performance or lack of quick response to a plea or call to the department. It was his opinion that Mr. Alderman is in a sense challenging the citizens of the community to make known their feelings and desires by allowing them, the citizens, to have a referendum to vote on the matter, and to inform the citizens that this is their prerogative to make the decision and not the village board.

WHEREAS, it is the desire of the Board of Trustees

of the Village of Palmyra to submit to the qualified voters of the Village of Palmyra, Wayne County, New York, a proposition, pursuant the provisions of Section 188-a of the Village Law, for a determination of whether or not the Police Department of the Village of Palmyra shall be abolished,

NOW, THEREFORE, BE IT RESOLVED That the following

proposition shall be submitted at a special election of

the Village of Palmyra to be held at the Village Hall

in the Village of Palmyra on July 18th, 1972,

between the hours of 12:00 A.M. and 9:00 P.M.,

Eastern Daylight Saving Time, said proposition to read as follows:

"Shall the Police Department of the
Village of Palmyra be abolished?"

and

BE IT FURTHER RESOLVED That the Clerk of the Village of Palmyra is hereby authorized and directed to post and publish a notice hereof in accordance with Article 4 of the Village Law.

NOW, THEREFORE, BE IT RESOLVED that the following proposition shall be submitted at a special election of the Village of Palmyra to be held at the Village Hall in the Village of Palmyra on July 12, 1972, between the hours of 10:00 AM and 6:00 PM, Eastern Daylight Saving Time, said proposition to read

Comments: Donald Wallace: Voiced that the voter has a right to complain. He feels that thought should be given to covering both the village and the town by the village police department. With this thought in mind, had the town been included or asked if they would like such coverage?

Trustee Green: Revealed that a year study had been made of a possible county police force with the idea of retaining all 5 men on our present department. This was, the study, recommended to the Wayne County Board of Supervisors to bring to a vote, but Trustee Green commented that it never got out of committee.

Mrs. James Smith: Asked if the department were abolished, what would happen if the residents wanted a police department later. Could the department be reinstated.

Attorney Nesbitt: This would have to be by resolution of the board.

Warner Strong: Feels the Police Dept. is very good. He feels that Trustee Alderman wished to bring to light that he is not "Anti" Police but would like to see the salary of the police department upgraded.

Donald Wallace: Commented extensively on keeping professional men and upgrading the department.

Bob Joyce: Revealed that he works in Pittsford where there is no local police department. It is his feeling that it is fine to point to a Police Officer in our village when his young children are around and tell them that the police department are here to protect the child, and is the child's friend.

Charles Collie: Asked why there isn't a reduction in our town and county tax inasmuch as we have our own police force.

W. Reeves: Commented that perhaps Palmyra should confer with Macedon, who have a joint venture of town and village coverage, by local police.

P. Rienstra: Feels that it would be ridiculous to want to disband the police department locally.

L. Reid: Interjected that he does not voice his opinion on methods of operating the village government, except when the board seems to be getting off base. This was why he was in attendance at this meeting.

L. Ziegler: Advised that it all boils down to the Board of Supervisors who have the facts and figures on the year study and should be up to them to reveal same.

J. Parsons: Felt that without the local police department the situation that existed last year on his street, West Jackson, would not have been quelled as quickly.

Trustee Alderman: Summed the matter that it would be his feeling that it should be a matter for the voters to decide. He believes that it should be known to the villagers that they are subsidizing the county and town.

Official Resolution attached to minutes:

Motion was made by Trustee Alderman, 2nd by Trustee Brown to have a referendum and by voice vote:

Trustee McGuire	Naye
Trustee Green	Naye
Trustee Brown	Aye
Trustee Alderman	Aye
Mayor Nussbaumer	Aye

Adjourn: Mayor Nussbaumer adjourned the meeting to the Village Hall at 8:45 P.M.

Change of Venue Board of Trustees 8:52 P.M.

Present: Mayor David M. Nussbaumer, and Trustees David McGuire, Lloyd A. Green, Robert Brown, and Frederick Alderman. Trustee McGuire asked to be excused because he had been ill for the past two days. Village Attorney, Henry B. Nesbitt.

Jaycee Request: Robert Nolan, in behalf of the local Jaycees, asked permission to rewire the Gazebo in the Village Park along with the general Spring Clean-Up scheduled for Sunday, May 21, 1972 and the following week.

The following motion was made by Trustee Green, 2nd by Trustee Brown and carried:

WHEREAS, the Palmyra Jaycees have indicated that they would be willing to supply the labor for the repair of the Gazebo in the Village Park to provide adequate lighting, BE IT RESOLVED: That the Village of Palmyra will accept their services and allow the expenditure for materials necessary up to \$100.00.

Replace Worn Line Sew. Plant: Hiram Van Etten, operator of the Sewer Plant, advised the board that during the excavation of the new additions of the sewer plant, it was discovered that the electrical lines that were buried, having been installed in 1960 when the disposal plant was built, were badly worn and should be replaced. Motion by Trustee Green, 2nd by Trustee Brown and carried to instruct Operator Van Etten to have the lines replaced.

Leak: Filter Plant Roof: H. Van Etten, Operator of the Water Plant, informed the board that the roof on the filter plant garage is leaking although H. Van Etten advised that he had tarred the roof twice last summer. Trustee Green advised that he would check on the matter.

Inspect. Sew. Plant Addit.: A letter from George Zaferes, P.E., informed the board that an inspection of the work to date at the sewer plant for the additions to include chlorination, in behalf of the government for our application for funding, would be made on May 17, 1972 at which time he wished a board member along with a representative of K. G. Woodward, Consulting Engineers for the Village of Palmyra be present.

Exec. Session: Motion was made by Trustee Green, 2nd by Trustee Alderman and carried to convene in Executive Session as of 9:12 P.M.

Re-Convene: Motion was made by Trustee Brown, 2nd by Trustee Alderman and carried to re-convene in a regular board meeting as of 9:18 P.M.

Present: Mayor David M. Nussbaumer, and Trustees Robert Brown, Frederick Alderman, Lloyd A. Green. Village Attorney, H. B. Nesbitt.

Fire Trk: Trustee Green advised that he and Trustee Brown had met with the Board of Fire Commissioners and after reviewing the specs of the truck requested and studying the bids received, it was their opinion that the bids should be rejected inasmuch as the lowest bid submitted did not meet the specs and the other two submitted were more than allowed in the Permissive Referendum.

Reject Bids: Motion by Trustee Alderman, 2nd by Trustee Green and carried to reject all fire truck bids received.

- Lozier Report:** A letter was received from Lozier Engineers, Inc. relative to their suggestions for the "starting" of the pump at the Canandaigua Water Pump Station, indicated that it might be advantageous to remove the flap from the check valve on the discharge side.
Motion by Trustee Alderman, 2nd by Trustee Green and carried to instruct Mr. Van Etten to remove this valve as suggested in preparation for a possible trial of operating the pump manually during the summer at 1250 gpm-rate.
- John Swift Rock:** A memo from the Methodist Church at the corner of West Main and Church Street, northwest corner, asked if it would be possible to have the stone with the plaque noting the final resting place of John Swift, founder of Palmyra, replaced to its former spot, having been dislodged by a freak accident in the winter. Clerk was instructed to so instruct Ray Smith, Hwy. Foreman to re-cement and put in place.
- Dog Warden Appls.:** Several applications for a Dog Warden were received by the clerk and turned over to the committee for their perusal.
- Add Umpd. Wat. & Sew. to Taxes:** The following motion was made by Trustee Green, 2nd by Trustee Alderman and carried:
RESOLVED: Whereas unpaid water and sewer bills plus late charges amount to \$2,123.31, and,
WHEREAS, in accordance with State Village Law any unpaid charges on property become an assessment on the property,
BE IT RESOLVED THAT, the Treasurer add the unpaid charges in the amount of \$2,123.31 to the taxes to be levied as of 6/1/72 on the properties so involved.
- Resol. Transfer Funds:** **WHEREAS,** the Cemetery Improvement Fund in the Capital Account shows a deficit of \$29.59, and,
WHEREAS, the Relocate Cemetery Pillar Account in the Capital Fund, has sufficient funds to overcome this deficit,
BE IT RESOLVED THAT, the sum of \$29.59 be transferred from the Relocate Cemetery Pillar Account to the Cemetery Improvement Account to balance out the account.
Motion was made by Trustee Alderman, 2nd by Trustee Brown and carried.

- F. Ziegler Complaint:** Fred Ziegler, Canandaigua Street, advised that storm sewer lines were damaged at the time the village sewer was installed in 1960 but that the storm sewer lines had never been repaired. Mayor Nussbaumer asked Trustee Brown to contact Mr. Ziegler to investigate the situation.

- Rpt. of Drug:** Trustee Green informed the board that he had recently attended a meeting which indicated that the "Drug" problem within this area appears to have been lessened. It is believed that the reason has been the education of teachers, along with information that has been passed on to the students and general public.
- Urb. Ren. Info. Meet:** An information meeting, according to a letter from Donald A. Sinclair, Relocation Director for the Urban Renewal Agency, relation to relocation will be held on May 18, 1972 at 7:30 P.M. in the Park & Club Bldg. Board members are urged to attend.
