Highlights of the report indicated of 32 Motor Vehicle Arrests, 9 were for speeding and of the 11 Criminal matters processed by the department, 5 were for burglary 3rd Degree. Total Fines and Bail Forfeitures collected during the month for both Motor Vehicle and Criminal Offenses amounted to \$272.00.

L. Lynch Request: Mrs. Lois Lynch, Fayette Street, requested assistance of the village highway crews if and when it might be possible for her and a number of interested citizens to organize a group or groups to attempt to clean out the old Erie Canal Bed from Church Street west. Consensus of the board seemed to indicate that providing the debris were brought to the road edge on Church Street for easy pick-up, she could scout for volunteers for such a project and highway crews would cooperate to pick up the debris.

Dinner for J. O'Brien: Trustee Leysath reported that he had had a response for approximately 40 people to attend a dinner on April 23, 1971 at 7:30 P.M. at the Garlock House to honor former Fire Chief James C. O'Brien. A suitable unique gift, according to Trustee Leysath, has been arranged.

Present: Mayor David M. Nussbaumer, and Trustees Donald Leysath, Donald Sinclair, Frederick Alderman. Absent Trustee Lloyd A. Green.

Park & Club Bldg.: Trustee Leysath commented that in discussing with the Fire Department their request for the use of the former "Police Chief's Apartment" on the 2nd floor of the Park & Club Bldg., west side, it has been determined that the department would like to relinquish the use of the basement quarters as well as the room on the east side 2nd floor which has been used for the pool room, and move their activities into the west side apartment area only. They,

the Fire Department, would repair and renovate the rooms to suit their needs.

Office rental has been cut, along with the honorarium and the professional counseling has been cut in half.

In order that two more members may be added to the existing council of 5 the following resolution was passed on motion by Trustee Leysath, 2nd by Trustee Sinclair and unanimously carried:

H. VanEtten Rpt. on Filter: Water & Sewer Operator Hiram VanEtten informed the board that he and Mayor Nussbaumer had viewed the equipment for sale at Bedford, Pa. which might be of use. He felt that the equipment was not worth the price of \$5,000.00 but might be worth \$2,500.00 to the village in that many items would be of no value to our operation. It was the suggestion of the board that he compose a letter to Bedford, offering them \$1,000.00 for the equipment. (Mr. VanEtten further commented that the equipment would have to have State Health Department approval before it could be installed.)

Increase Wat. Rates: ? ? Water Operator VanEtten suggested that the board should consider increasing the minimum water bill from \$3.00 to \$5.00. No increase in rates has been made since the early part of the 1950's.

Eaves Leak: H. VanEtten commented that the eaves trough at the Sewer Plant should be repaired. Trustee Leysath volunteered to contact Keith Kroh to ascertain a price for the repair.

Pumps - Wat. Plant: Water Operator VanEtten advised the board that by gravity flow we receive about 900 gals. per minute from Canandaigua Lake. The plant can only process about 400 gals./minute with our present pumps. Consideration should be given to the installation of an additional pump.

Blacktop: H. VanEtten asked permission of the village board to install a black-top pad at the end of the Filter Bldg. at his expense so that he might have a stable spot to rest or store his portable trailer when not in use. Board granted his request.

Dog Control Commission: Mayor Nussbaumer and Trustee Alderman will work together on this committee to try to establish an ordinance for the control of dogs within the village limits, and with the aid of a salaried dog warden, it is hoped that rules may be established to the benefit of the majority.

Urban Renewal: Trustee Sinclair advised that he had received word from Urban Renewal Director William Roche that the contracts for the funding of the money to the Urban Renewal Agency are in the process of being signed.

Tn. Res. May Hold Office: The following resolution was made by Trustee Leysath, 2nd by Trustee Sinclair and carried:
RESOLVED: For the best interest of the Village of Palmyra Fire Department,
BE IT RESOLVED: That the Village of Palmyra Board of Trustees grant the appointment of anyone living within either the Village or Town of Palmyra to the Palmyra Fire Department for a period of three years.

United Fund: The following resolution was made by Mayor Nussbaumer, 2nd by Trustee Leysath and carried:
RESOLVED: The Board of Trustees of the Village of Palmyra shall proclaim the week of April 18th through April 24th as United Fund Week.

Add'l. Stumps: The Empire Tree Surgeons advised that there are about 7 additional stumps which Highway Foreman Smith would like to have removed. They advised that since they are in the area they could do these at a cost of \$8.00 each per stump.
Motion by Trustee Sinclair, 2nd by Trustee Leysath and carried to grant request.

Tn. Assessment: Clerk was instructed to advise Attorney Nesbitt that the Village Board would like to adopt the Town of Palmyra assessment rolls for use in June 1972.

Regular Board Meeting

Board of Trustees

7:00 P.M.

Present: Mayor David M. Nussbaumer and Trustees Lloyd A. Green, Donald Leysath, Frederick Alderman, and Donald Sinclair.

Vouchers: Motion by Trustee Leysath, 2nd by Trustee Green and carried to approve payment of the vouchers in the amount of \$6,341.22 as presented.

Sr. Citiz. Month : Mayor Nussbaumer read a letter received from Governor Rockefeller requesting that the Village of Palmyra proclaim the month of May as Senior Citizen Month. Motion by Trustee Leysath, 2nd by Trustee Green and carried to abide by this request.

Bloom Estate : Attorney Henry B. Nesbitt described the original Sexton Street and Catherine Street, now Prospect Drive, which originally was a right angle but about 1930 was re-vamped to form a curve and became Prospect Drive. In delving into the records, according to Attorney Nesbitt, the abandonment proceedings were never formulated, nor was the small piece of land deeded over to the adjoining property owners, Sarah Bloom & Richard. In 1930 Garlock Inc., then Garlock Packing Co., conveyed to the village the area to round the road. According to Attorney Nesbitt, it will be necessary to have a public hearing to officially abandon the former Catherine and Sexton Streets. The date for this hearing by agreement with the board will be May 10, 1971 at 8:00 P.M. E.D.S.T.

5/10/71
Public Hear. :

Stop Sign Ord. : The following motion was made by Trustee Leysath, 2nd by Trustee Alderman and carried:
RESOLVED: The Stop Sign Ordinance, having been properly posted, public hearing held, shall become effective as of May 16, 1971 with the official notice of same in the village newspaper as of May 6, 1971 and posting of such ordinance by the clerk in three (3) conspicuous places.

Gilfus Dump Contract:

Attorney Nesbitt read the proposed contract for the ensuing year 6/1/71 - 5/31/72, between Siegiel Gilfus, caretaker of the dump and the Village of Palmyra. In essence the contract proposes a fee of \$2,000.00 relative to the use of the machinery that will be needed by Mr. Gilfus and owned by him to keep the dump in a sanitary condition to meet the regulations demanded of the State Department of Health & Conservation. Trustee Leysath advised that he would take the contracts to have Mr. Gilfus sign them.

Parking Lots:

A general discussion evolved relative to 2 hour parking and 24 hour parking or long term parking on village owned lots.

One Way Street :

Further discussion revealed that it was the consensus of opinion that Fayette Street from East Foster Street to East Jackson Street, traffic moving north, should be considered as a One-Way Street. When or before this would become effective, it would be necessary to rescind the stop sign ordinance for the corner of Fayette and East Foster.

W. Roche Urb. Ren. Director

Mayor Nussbaumer read a letter regarding the housing act of 1968 which indicated that the funds are about depleted. Public housing would be available under the Contribution Act, but only to the existing Housing Authorities of record. In other words, it would be the suggestion of Mr. Roche, that the village establish a housing authority. The village could then apply for funds on the government level. Matter tabled until 5/10/71. Board agreed to table, but Mayor dissented.

BY ORDER OF THE BOARD OF TRUSTEES
OF THE VILLAGE OF PALMYRA, WAYNE
COUNTY, NEW YORK
Theresa P. Otte
Village Clerk

St. Anne's O

Roche
Re: Indus-
trial Pk.:

W. Roche advised the Village Board that there has been discussion more recently on the establishment of a small industrial park which would be comprised of 18 separate parcels of land of about 1/2 acre each. (This would be in the Town of Palmyra, just outside the corporation limits). Roche intimated that there is a possibility that annexation might be possible. Area involved would be in the angle of Vienna Road and Route #31, southwest corner.

B. Wide-
man, Zon.
Offc.

Zoning Officer Wideman informed the board that junk cars and disabled autos were discussed previously with the thought in mind to rewrite the ordinance in relation to yards, parking areas and unregistered vehicles in residential and commercial areas.

Signs:

Zoning Officer Wideman informed the board that he was reviewing the stipulations which relate to signs in the business area.

Letter
re:sugg.
Zon.Chg.:

A letter from the Chairman of the Zoning Board of Appeals, Luther G. Sheldon, and endorsed by the other members of the Zoning Board, suggested that the Village Board consider an amendment to the zoning which relates to the issuance of a Special Permit for the remodeling of a single family house to multiple housing. The Zoning Board cited in particular the issuance of a permit for the new construction of a 3 family home at 133 West Jackson Street, all in accordance with the zoning requirements but the general feeling seemed to indicate that the majority of the neighbors were dissatisfied with the decision as most of these homes had been built at the turn of the century and the type of housing proposed did not seem to blend in with the decor. The same letter was sent to the Planning Board for their perusal.

E. Main
Spruce
Up:

Zoning Officer Wideman advised the board that he had and would continue to contact owners of property in the East Main Street area to ask their cooperation in painting and sprucing up their homes and land area. If this is not successful, he will issue a "Notice & Order."

Press.
Sust.
Valve:

On motion by Trustee Leysath, 2nd by Trustee Sinclair and carried, Mayor David M. Nussbaumer was directed to sign the agreements for the installation of the Pressure Sustaining Valve at the Filter Plant, in accordance with the awarding of the contract to Clohessey, Inc. in the amount of \$10,355.00.

Health
Officer:

Dr. William Braell, Charlotte Avenue, informed the Village Board that he did not feel that he would be able to take on the added responsibility as health officer of the Village of Palmyra. Trustee Sinclair volunteered to contact another doctor in the area.

Middle
School
Sew.Rent:

Clerk advised that the business manager, Mr. McGovern for the Palmyra-Macedon School District inquired about the possible sewer fee for the new Middle School. On the basis of the information received of 42 water closets, 23 urinals, 64 sinks, 4 showers, 8 fountains, 1 dishwasher and 2 clothes washers, it might be feasible to base the quarterly fee on 30 units at \$17.28 per unit for a quarterly charge of \$518.40. Motion by Trustee Sinclair, 2nd by Trustee Green and carried to so advise the Palmyra-Macedon School that the sewer rate for the new middle school would be \$518.40 per quarter plus the actual registered amount of water consumed.

Comm.
Edison:

On motion by Trustee Leysath, 2nd by Trustee Sinclair and carried, clerk was instructed to purchase 3 1/2 units of Commonwealth Edison stock for \$133.00, which funds to be withdrawn from the P.T. Sexton Checking Account, with stock to become a part of the holdings of the P. T. Sexton Investment.

Narcotic
Council:

On motion by Trustee Leysath, 2nd by Trustee Green and carried, the budget appropriation for the Narcotic Council will be \$3,000.00.

38
Budget
Adopted:

The following resolution was made by Trustee Leysath, 2nd by Trustee Sinclair and carried:

RESOLVED: The Board of Trustees shall adopt a general fund budget in the amount of \$460,062.49, less the anticipated revenue and carryover which would entail funds in the amount of \$224,802.48 to be raised by taxation for a tax rate of \$16.80.

H. Van
Etten:

Hiram VanEtten, Operator of the Water and Sewer Plants informed the village board that he had just attended a meeting in Canandaigua relative to the watershed ordinance. In discussing the matter it would appear that the Village of Palmyra would have little use of a watershed ordinance. However, the board informed Mr. VanEtten that when he attends the next meeting of the combined villages and towns whose water supply is Canandaigua Lake, that he should so inform the group that the Village of Palmyra will adopt and comply in any way possible the suggestions and recommendations of the Watershed Board. (Next meeting to be May 24, 1971).

Roch.
Telephone:

The Rochester Telephone Company informed the village by letter that they would like to place telephone lines near the water line in the Canandaigua area. They are planning to commence work on April 30, 1971 and would like to have someone advise them where the village water line is located. Clerk was instructed to so alert Raymond Smith to try to arrange his time to cooperate with them.

Dump
Stickers:

Discussion ensued relative to the issuance of new dump stickers for the Village Fiscal year, 6/1/71 - 5/31/72, and for the Town of Palmyra. On motion by Trustee Sinclair, 2nd by Trustee Leysath, it was moved that the town and village should have different colors and the fee for the Village of Palmyra shall be \$1.00 for the year but only \$.50 for the town to expire as of 12/31/71, so that a new agreement with the Town of Palmyra may be consummated.

Asst.
Pol. Just.:

On motion by Trustee Leysath, 2nd by Trustee Sinclair and carried, Jack Lynn, Cuyler Street, was appointed Assistant Police Justice for the ensuing year.

Rushville
Hose:

A 50' ladder which had been previously damaged, was purchased by the Rushville Hose Fire Company for \$350.00. Check for this amount to be so deposited to the general funds.

Removal
Park.
Meters:

Motion by Trustee Sinclair, 2nd by Trustee Green and carried as follows:

RESOLVED: The Board of Trustees of the Village of Palmyra shall so direct Highway Foreman Raymond Smith to remove the parking meters in the Main Street area and adjoining streets within the next few days.

Water
Rates:

Trustee Leysath and Trustee Alderman have received water rates from various villages which have been compared with the Village of Palmyra. At this time, it would seem advisable that a study be made to justify the raise in the rates of water within the next year.

Water
Cooler:

On motion by Trustee Alderman, 2nd by Trustee Sinclair, the board approved the purchase of a water cooler to be placed in the village barns for the use of the highway crew.

Streets:

Trustee Alderman discussed a survey he had made relative to the resurfacing of the village streets with oil and stone. It was his feeling that if the village does not reseal the streets, they will soon deteriorate and will be a much more costly expense.

Motion by Trustee Sinclair, 2nd by Trustee Leysath that bids be sought for oil and stone.

Curbs:

Trustee Alderman advised that he would try to obtain a quotation for curbing of East Main Street from Market to William and Cuyler to Fayette.
